BLACKOUT

Shaq Gets Dunked On  
By Eytan Raphaely

INT.SHAQ'S TRAILER

SHAQ is sitting on a makeup chair as the DIRECTOR talks to him.

DIRECTOR

Shaq baby, I can't tell you how excited we are to have the Big Diesel himself shoot a commercial with us!

SHAQ

Ya no problem, we doing the standard me dancing into the camera shoot?

DIRECTOR

Actually, our fine make up artist Grace is going to be putting some old man make up on you, we drive you down to the local court, you dunk on some civilians, we reveal it's actually you, they freak out, boom-commercial done.

CUT TO:

EXT. COURT

Shaq, now completely in old man make up is playing in a pick up game, he is playing defense on JASON, an unassuming white guy.

JASON

Come on, old man you really think you can guard me.

SHAQ (OLD MAN VOICE)

I've guarded better players than you Buster Brown.

Jason shoots a granny shot right over him and sinks it.

JASON

Gotta do better than that you old man.

Shaq looks a little taken back, but brushes it off.

SHAQ  
Good shot young blood (nervous  
laughter).

As the game continues Shaq is getting dominated by Jason. Jason is crossing him up, stealing the ball and hitting his signature granny shot. After watching for a bit, the director calls Shaq over.

DIRECTOR  
Shaq baby! What are you doing out  
there!?

Shaq, visibly frustrated.

SHAQ  
Don't worry I'll make it up right  
here, If I can carry Kobe and  
Dwayne Wade to the championship I  
can beat Jason fucking Schwartzman.

DIRECTOR  
How do you even know his name?

SHAQ  
He says it after every time he  
scores.

JUMP CUT TO:

Jason hitting a shot.

JASON  
Jason Schwartzman strikes again!

JUMP CUT TO:

SHAQ  
Don't worry, this ends now.

Shaq walks back in the game and checks the ball to Jason.

JASON  
You sure you want this old man? It  
would be shame if me destroying you  
at basketball was the last thing  
you saw before your sorry life is  
finally put to a merciful end.

SHAQ  
Jesus christ, why are you so mean  
to old people.

JASON

Maybe I don't trust em' anymore. A couple years back I was playing in a pick up game in Chicago. This old guy who no one had seen before started making his way onto the court. Something felt off about him immediately, don't get me wrong, to the untrained eye he would have looked like any other average old man. I'm talking wan face, wrinkly skin, a look of complete defeat in his eyes, he had the works. It was too perfect, too calculated, it was as if he had been designed to look as unassuming as possible. That old man turned out to be Kyrie Irving from the Brooklyn Nets. I showed that old man kindness and he took advantage of me. One second your letting an old man take an open shot, the next your on a god damn Pepsi commercial getting dunked on with Kyrie Irvings nuts in your face.

SHAQ

Jesus man, just check it up.

Shaq checks the ball in and Jason quickly drives by him and throws down a dunk right on top of him

JASON

In your face old ma- wait are you Shaquille O'Neal?

SHAQ (OLD MAN VOICE)

Uh... No way man.

His old man make up starts to get smudged and disappear

RANDOM PLAYER

Hey, he is Shaquille O'Neal, check it out guys

A crowd begins to form around Shaq as people start to mock him.

CROWD

Shame! Shame! Shame!

SHAQ  
No... Don't look at me!

CUT TO:

A classic low budget commercial but instead of Shaq being the sponsor it's Jason Schwartzman.

BLACKOUT

Fake Crying  
By Eytan Raphaely

Jason, James, and Candace are watching the scene from Spider-Man where Tobey Maguire is crying.

JASON

Man, this guys good. Do you think he's actually crying.

CANDACE

Oh ya, you can't fake that raw emotion.

JASON

Man, that's crazy impressive.

JAMES

You know... I can actually cry on command.

CANDACE

Really? I didn't know you could act! Can you do it now?

JAMES

Alright, buckle up for some raw emotion.

James warms his hands up and cracks his neck. He starts whispering to himself.

JAMES

You're such a big dum dum, you think Candace and Jason really respect you, haha don't make me laugh, these guys don't like you at all. You better hope to god you can muster up some tears for them or they'll probably never talk to you again. You asked for all this pressure, the least you could do was step up for once your life. Remember the time where all your friends went to a party and you texted them what they were doing and they said nothing but Candace left her GPS location on her Snapchats so you followed her and acted like you just ran into them coincidentally but everyone knew you were following them and it was super awkward.

James starts crying violently, James and Candace look horrified... This goes on for a bit.

JAMES (CRYING)

And the Oscar goes to James the  
fucking loser.
